

76. A method of forming a three-dimensional article comprising:
- a. forming a layer of the composition of claim 72;
 - b. imagewise exposing areas of at least a portion of the layer to actinic radiation; and
 - c. introducing a new layer of said composition on to the layer previously exposed imagewise in step (b) and repeating step (b).

REMARKS

This Amendment is Supplemental to the Amendment dated October 31, 2001. Upon entry of this Supplemental Amendment, claims 1-76 will be pending. Relative to the Amendment submitted on October 31, 2001, the instant claims differ in that:

- (i) claim 6 of the October 31 Amendment has been deleted (and the remaining claims have, consequently, been renumbered);
- (ii) the claim dependency of claim 62 (now claim 61) has been corrected; and
- (iii) instant claims 71-76 have been newly added.

No new matter has been introduced with these amendments and new claims.

It is respectfully submitted that the instant Application is in condition for allowance and a Notice to that effect is earnestly solicited. If, after reviewing the above, the Examiner believes any issues remain unresolved, the Examiner is encouraged to contact the undersigned by telephone to expedite the prosecution of this application.

Respectfully submitted,
PILLSBURY WINTHROP, LLP
